

Dear Homeowners,

This message is a reminder to all residents to please comply with the community's parking rules and regulations at all times (included in this email).

Unauthorized parking, including parking in driveways without approval, is not permitted. Any resident who is granted permission to park in a driveway must have **written authorization** on file. Verbal approval will not be accepted.

All parking permissions must be provided **in writing** and **emailed directly to the management company** for documentation. Failure to comply with these requirements may result in towing expenses or other enforcement actions as outlined in the community rules (section #3)

We appreciate your cooperation in helping keep our community safe, orderly, and accessible for everyone.

Thank you for your attention to this matter.

Sincerely,
HOA Management
